

NCBRT Instructor Application

Advanced Forensic Investigations for Hazardous Environments

Important things to remember:

- This is a competitive process. Complete each answer thoroughly. "See Resume" or "See Previous Answer" are not acceptable.
- You must submit the application to apply@ncbrt.lsu.edu.

APPLICANT INFORMATION

Name: _____

- My current résumé, written in chronological order, is attached, beginning with most recent experience. (Note: Your résumé will be used to verify your professional certifications and experience.)
- A list of **successfully completed** training applicable to this course is attached. (Include name of courses/programs, date of completion, and training provider. Examples to include: WMD training successfully completed through the FBI, ATF, or one of the NDPC members; clandestine lab school or small scale production school(s); any skill you indicate you are trained to perform under the section "Required Skill".)

For which of the component(s) of the instructional team should you be considered for inclusion? Select all that apply:

- Forensics
- HazMat/EMT with forensic knowledge and experience

INSTRUCTOR QUALIFICATIONS

Please check whether you meet the following qualifications and have completed all of the independent study courses listed below. **Failure to meet any of the following requirements will result in disqualification. All indicated qualifications should be apparent in your resume.**

- Ten or more years of professional experience as a crime scene investigator at a law enforcement agency or in a HazMat or EMT role.
- Three or more years of experience teaching adult learners. Applicants may be asked to submit a video demonstrating instruction in a classroom setting.

Required Courses

IS 100.b: *Introduction to Incident Command System, I-100*
IS 200.b: *ICS for Single Resources and Initial Accident Incidents*
IS 700.a: *National Incident Management System (NIMS), An Introduction*
IS 800.b: *National Response Framework, An Introduction*

The certificate of completion is

- Attached On file at NCBRT
- Attached On file at NCBRT
- Attached On file at NCBRT
- Attached On file at NCBRT

Required Credentials

Hazardous Materials Technician, as defined in 29 CFR 1910.120(q) (required for all applicants)
EMT Certification (only required for those selecting the HazMat/EMT role)

The certificate is

- Attached On file at NCBRT
- Attached On file at NCBRT

Required Skills

Please indicate all skills below you are currently trained to perform. Those applying for the hazmat/EMT component should be trained on at least two (2) skills, while those applying for the forensics component should be currently trained on all skills listed.
